MIND TRIAL

RESONANCE 2026

MIND TRIAL
(Tech Quiz)

OVERVIEW:

- Get ready to put your knowledge to the ultimate test at Quizzards, the flagship quiz event of Resonance 2026. Reviving a legacy name that once defined the quizzing culture at GEC, Quizzards returns with a fresh spirit, blending tradition with an electrifying modern format.
- After last year's grand success, the quiz is back. Bigger, sharper, and more competitive than ever. While the event has taken on different names over the past two editions, the decision to bring back Quizzards is a tribute to its roots.
- This year, the event aims to recreate that legacy while elevating the experience for a new generation of quizzers.
- Participants can expect a dynamic mix of questions spanning general knowledge, technology, pop culture, current affairs, and more, designed to challenge both depth and speed of thought rather than mugging up facts. With engaging rounds, interactive twists, and a competitive atmosphere, Quizzards promises to be a battle of minds.
- Whether you're a seasoned quizzer or someone looking to experience the thrill for the first time, Quizzards at Resonance 2026 is where curiosity meets competition.
- Think fast. Answer faster.

PRIZE POOL : ₹5,000 (1st: ₹3,000 | 2nd: ₹2,000)
ENTRY : ₹100

EVENT FORMAT:

- The quiz consists of multiple rounds, with teams progressing based on their performance.
- Each team must consist of 2 to 3 members.
- Preliminary Round: "Watt's Up?" – 20-question written round. The Top teams from preliminary advance to finals.
- Rules for each round in the finals will be explained before the round starts
